

## McIntyre Bills Interior Design Service

Legacy has teamed up with McIntyre Bills to provide a 'best in class' service when it comes to kitchen and interior design. Both companies are leading experts in their fields with unparalleled reputations for quality work and great client service. Clients of Legacy now benefit by having access to not only the best kitchen designers in the city – but an extended team of interior designers who can provide advice on a plethora of interior design details such as colours, tiling, flooring, countertops, lighting and much more.

## About Legacy Kitchens

Legacy Kitchens is a premier designer and renovator of kitchens. Whether you are planning a renovation or building a new home, we will create a kitchen that suits your lifestyle and reflects your personal tastes.

**All Cabinetry  
Made in Canada**

## A Selection to Satisfy Any Style

Have we got ideas for you! We'll help make your dream kitchen a reality. We carry 4 distinctive lines of cabinetry product that spans all design styles including Traditional, Olde World, Mediterranean, Country, Transitional, Contemporary and Mountain Living.

No kitchen cabinet retailer in Calgary can match our selection and variety.

## More Than Kitchens

Yes, we do kitchens and we do them very well. But we also have cabinetry for other rooms in your home including:

- Bathrooms
- Bedrooms
- Laundry rooms
- Basements
- Home Offices
- Dens

## A Beautiful, Functional ~~Kitchen~~ *Investment*

A kitchen renovation increases the appeal and value of your home more than any other type of renovation. Whether you need a more functional kitchen for your growing family or want a more comfortable space for hosting friends, take some time to meet with one of our kitchen design professionals. We create quality kitchens with lasting value.

## Recycle Your Old Cabinets to Support a Cause & Save Money

Legacy Kitchens is a proud supporter of Habitat for Humanity. Did you know that instead of throwing away your old cabinets you can sell them on consignment to Habitat for Humanity? If the cabinets are sold, Habitat for Humanity will give you a tax receipt in the amount of the purchase price of your old cabinets.

## Unparalleled Customer Service

During our 25+ years of excellent kitchen design, we haven't just succeeded in building our business and creating beautiful kitchens. More importantly, we've succeeded in making people happy, keeping in step with our mission of investing in people by serving them with fairness, integrity and respect. Our true legacy remains exceptional kitchen design marked by a commitment to understanding our clients' unique tastes, lifestyles and wishes.

## Project Management

A kitchen renovation is a daunting project with many details to manage. Our team of professionals will work alongside you to coordinate any part of your kitchen renovation that you would like help with, including:

- Plumbing
- Electrical
- Flooring
- Tile & Countertops
- Appliances
- Service & Warranties
- Structural Changes
- Coordination of Trades
- Regular Inspections
- Garbage Removal
- Cleaning
